## Christ Is Our Hope!

*May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.*

*Romans 15:13*

### The Breakthrough of Hope!

Our Christmas celebration rejoices in the fact God sent His Son Jesus into the world to be our Savior. Out of the loving heart of the Heavenly Father, He sent to us a Redeemer, to save us from our sins and offer us eternal hope. ***"In him was life, and that life was the light of all mankind. The light shines in the darkness, and the darkness has not overcome it."*** (John 1:4-5) The impact of your partnership in our mission and compassion projects cannot be overstated. We receive regular reports of lives being changed. We have seen the amazing effects before our very eyes. Because of your generosity, people living in desperate life-circumstances are able to receive touches of practical help in the power of Christ. These touches bring life transformation and hope. We reach out to children and adults who live oppressed and under the power of darkness. Your gifts are liberating and life-changing! Annually, we present our VV Christmas Catalog. In it we share the impact stories; where help was given and lives were lifted. The Light of Hope dawned upon their darkness. We are grateful for your generosity!

Sincerely in Christ,

## VisionVestors Meets Practical Needs In the Love of Christ!

**O**ur God is an amazing God! He extends His power to the world to save, heal and deliver through the preaching of Jesus Christ. Through Him, the power of the Holy Spirit is released to change lives and impart hope. This 11 year-old boy in Togo was a "sorcerer child." Under the influence of evil, he had designs on killing his whole family. Pastor Sonte (Togo) went to this village to preach the Gospel. VisionVestors raised funds to purchase Bibles for this evangelistic mission. The father of the family received Christ as his Savior. He was given a Bible that he took to his home. The boy saw the Bible. It became "fire" before his very eyes. He resisted its "Light." Then, he became convinced of the power of the Word of God and the truth of the Lord Jesus Christ. He received Jesus as his Savior.

The gifts in this catalog can be given in the memory of a loved one. In addition, they can be given on behalf of family and friends for Christmas, birthdays, and other special occasions. It is a **BLESSING** given in their name. If you would like, VisionVestors will send you a postcard you can deliver to announce your gift.

As you look through the catalog, consider what captures your heart and how you can help. Include your children, grandchildren and other family members. Touching the lives of people less fortunate is an awesome lesson to model with your family or share with your group at Christmas. **It's amazing how our gifts can reflect the love of God!**

The needs are immense, and more families are asking for help." (The child at the left is a burn victim.) You can help!

## SERVING THE DEAF-MEXICO

Missionary Kayla Lawmaster serves the deaf in Mexico. Sordbo Café is more than just a coffee shop; it's a space where coffee, culture, and inclusion come together through the Mexican Sign Language (LSM). Located in Ensenada, Sordbo Café was created to provide meaningful job opportunities for Deaf individuals while raising awareness among hearing people about the importance of communication without barriers. Every cup served represents more than great taste; it symbolizes the connection between two worlds that can understand each other through respect and empathy. Here, customers don't just enjoy a drink, they discover a new way to communicate, to see, to listen with their eyes, and to feel with their hearts. With your support, Sordbo Café can continue strengthening this inclusive space offering employment, training, and visibility for the Deaf community. Your contribution helps keep alive a cause that changes lives. The need is for updated equipment. Our goal is \$1,400.
