*Meets Practical Needs in the Love of Christ!*

*"Here is my servant whom I have chosen, the one I love, in whom I delight. I will put my Spirit on him and he will proclaim justice to the nations. ...In his name the nations will put their hope."*

*Matthew 12:18,21*

Jesus saw people in their need. His gaze penetrated the darkness of their sin, the depth of bondage, affliction and poverty. He saw the person buried beneath their circumstance.

He loved them, valued them and offered life-giving help. Whether it was the leprous, the blind and lame, the socially ostracized and unclean, the demonized hopelessly living among the tombs, or a self-justifying rich young ruler. "He looked at them and loved them." Seeing the person in the midst of their need is an act of compassion. It makes a connection for the love of God to touch the heart. Meeting tangible, practical needs further demonstrates the love of God and the Divine value of the person. Each one is made in the Image of God. Acts of Godly kindness birth hope. Meeting practical needs in the Name of Jesus shines His redeeming, transforming Light. Our annual Christmas Catalog highlights a number of our compassion projects throughout the world. It illustrates how we are helping people in desperate circumstances. It offers various ways you, your family, or group can be involved. Together we can transform lives, by offering hope and a future. As you look through the projects in each nation, prayerfully consider how you might help. Your gifts are a tangible demonstration of God's goodness. He is Light and Life! Our compassion projects are making Him known locally and globally.

## Making a World of Difference!

I have the Kingdom assignment that offers a unique and incredible view of the world. I have the honor and privilege of having personal relationship, engagement and knowledge of physical, emotional and spiritual needs in various parts of the world. They are the people and places where God has directed our attention to demonstrate His love and assistance in Jesus' Name. As you will see in this catalog, together we have met significant human needs and expanded God's Kingdom. I've had the honor and privilege of sharing these needs with you and have seen your faithful partnership, generosity and support to do these amazing things. You enabled these "God-touches." We are truly grateful. We have more opportunities.

Sincere Thanks,  
Dallas Elder for VisionVestors

# Leadership Investment

The incredible value of encouragement and equipping to our international leaders cannot be overstated. Your support for ministry leadership enables greater Kingdom fruit. VisionVestors makes it possible for our international leaders to attend our conferences by helping with travel and expenses. These are our West African leaders representing five nations: Nigeria, Togo, Benin, Liberia and Ghana.

We are realizing the benefits of the **Ghana Ministry House**, which will serve as the ministry base of Grace Covenant International-West Africa. Ghana Missionaries Rob and Lori Mangus live onsite and in October hosted the GCI-West African Conference. Our leaders from Nigeria, Liberia, Benin, Togo and Ghana were in attendance. The leaders were lodged and the conference was held on the property. We see the Lord's leading and the future potential of this facility. We are now in the process of renovating the property to better serve our ministry purposes. Your investment will help us realize the potential of this property.

## Ghana

In April, an attack of evil came against this church in Ghana as someone set fire to it. It totally destroyed the building and its contents. Through the compassionate concern of our VV members, new construction has begun.

Missionary Rob Mangus and Pastor Paul inspected the damage to the church. Sincere thanks to everyone who helped this church rise from the ashes.
